REENTRY SERVICES

We help individuals with criminal records to address civil legal matters that are barriers to community re-integration, working to secure fair and equal treatment for these individuals within the legal system and facilitate successful community and family reunification.

Individuals who have been incarcerated or have criminal records have an incredible set of barriers to overcome if they wish to leave their past behind. In addition to the stigma a criminal conviction creates, there are often civil legal matters that have been unattended for some time.

In many cases these legal issues have now grown to be significant obstacles in the pursuit of employment, education, housing, and family reunification.

HOLISTIC LEGAL SERVICES

We provide holistic support to formerly incarcerated individuals in a wide range of matters:

- Housing
- Employment
- Educational opportunities
- Child Support
- Divorce
- DMV suspensions
- Financial stability
- Consumer protection
- Social support services
- Immigration matters
- Certificates of Relief from Disability
- Certificates of Good Conduct
- Sealing of Criminal Convictions when allowable
- Driver’s license reinstatement
- Access to counseling
