The Civil Unit prioritizes services to veterans and military families. The issues facing veterans can be varied and complex.

Many of the clients in the veteran’s initiative need help in multiple practice areas. It is common for us to assist the same individual in a range of practice areas including:

- Housing
- Employment
- Educational opportunities
- Family law

CONSUMER PROTECTION

If you owe a debt or have issues with your credit report, we can help you explore a number of options pertaining to the following:

- Credit reporting errors
- Challenging identity theft
- Educational debt
- Fair Credit Reporting Act
- Fair Debt Collection Practices Act
- Predatory Lending

UNEMPLOYMENT BENEFITS

We assist workers who have been wrongfully denied unemployment benefits after loss of employment through no fault of their own. We help you protect your rights in a variety of settings:

- Unemployment benefits hearings
- Discrimination, unpaid wages, labor matters, and OSHA violations

LANDLORD/TENANT AND EVICTION MATTERS

Underemployment, sub-standard housing stock and absentee landlords complicate housing choices. Many tenants do not know legal defenses they may have.

Tenants in town and village courts often proceed without legal representation during eviction proceedings. Landlords are often living below the self-support reserve as well. Many are elderly, retired, widowed, and renting to tenants without knowing how to protect themselves.

We can provide assistance in your housing matters – whether it’s legal representation, assisting you with finding new housing, or just answering basic questions on landlord/tenant matters.

MATRIMONIAL MATTERS

Our Family Law attorneys have experience handling complex cases:

- Separation or Divorce
- Child custody or visitation
- Child support
- Distribution of assets/debts
- Exclusive occupancy of marital residence
- Orders of protection
